Article 1 Recognition

1.1 Bargaining Unit In accordance with the certification of the Massachusetts Labor Relations Commission, the Town recognizes the Union as the exclusive representative with respect to wages, hours and other conditions of employment for all regular maintenance employees employed by the Town in its Public Works Department and Sewer Department including all employees so employed in said Departments as Skilled Laborer, Heavy Equipment operator, Recycling Monitor, Mason, Aerial Bucket Operator, Maintenance Craftsmen, Motor Equipment Repairman, Motor Equipment Repairman/Purchaser Pump Station Operator, Senior Heavy Equipment Operator, Lead Mechanic, Assistant Foreman and Foreman, but excluding all commissioners, executives, professional employees, superintendents, supervisors, General Foremen of the Public Works Department and Sewer Department, office and clerical employees, temporary and seasonal employees, and all other employees not expressly included in the above unit. The terms "employee" and "employees" as used hereafter in this Agreement refer only to such persons as at the time in question fall within the bargaining unit as defined in this Section.

Article 2 Employee Rights and Obligations

2.1 Organizational Activities. Except to the extent that there is contained in the Agreement an express and specific provision to the contrary, employees shall have, and be protected in the exercise of, the rights, freely and without fear of penalty or reprisal: to form, join or assist employee organizations; to hold office and participate in the management of the Union; to act in the capacity of Union representative; to engage in other lawful Union and concerted activities for the purpose of collective bargaining or other mutual aid or protection; and to refrain from any or all such activities. In the exercise of such rights, the employees shall be free from any and all interference, restraint or coercion and from any discrimination in regard to tenure, promotion or other conditions of employment. The Union agrees that it shall represent the interests of all employees without discrimination and without regard to whether or not an employee is a member of the Union.

2.2 Union Membership. The Town will advise the Union in writing of the name, address, classification and department of each new employee; The Town recognizes the right of any employee to become a member of the Union and will not discourage, discriminate or in any other way interfere with the right of any employee to become and remain a member of the Union.

2.3 No Discrimination.

2.3.1: In accordance with applicable law, the Town and the Union agree not to discriminate against any such individual with respect to hiring, compensation, terms or conditions of employment because of such individual's race, color, religion, sex, national origin, pregnancy, disability, sexual orientation, age or veteran's status.

2.3.2: The Town and the Union agree that there will be no discrimination by the Town or the Union against any employee because of his or her membership in the Union or because of any employee's lawful activity and/or support of the Union or lack of membership, activity or support.

2.3.3: The term "he" or "his", as used in this agreement is not meant to be discriminatory and shall apply equally to male and female employees.

Article 3 Rights of Management

3.1 Management Rights. Except to the extent that there is contained in this Agreement an express and specific provision to the contrary, all of the authority, power, rights, jurisdiction and responsibility of the Town are retained by and reserved exclusively to the Town including, but not limited to, the rights: to manage the affairs of the Town and maintain and improve the efficiency of its operations; to determine the methods, means, processes and personnel by which operations are to be conducted including the contracting out of any work; to determine the size of and direct the activities of the working force; to determine the schedules and hours of work and the assignment of employees to work; to establish new job classifications and job duties and functions and to change, reassign, abolish, combine and divide existing job classifications and job duties and functions; to determine the qualifications for all jobs; to require from each employee the efficient utilization of his services; to hire, promote, transfer, assign, retain; to discipline, suspend and discharge employees with just cause; to demote; to relieve employees from duty because of lack of work or other legitimate reasons; to promulgate and enforce reasonable rules and regulations pertaining to operations and employees; and to take whatever action may be conducive to carrying out the missions of the Departments.

3.2 Other Authorities Not Impaired. Nothing herein shall diminish the authority and power of the Retirement Board or the Personnel Board of the Town of Hingham nor alter or impair the Classification and Salary Plan of the Town of Hingham (hereinafter referred to as the ("Classification and Salary Plan")), which shall continue to govern the wages, hours and working conditions of the employees to the extent therein provided.

Article 4 Union Activities

4.1 Union Officers and Stewards. Insofar as the work requirements of the Departments permit, Union Officers and/or Stewards will be excused from duty, without pay, when required to conduct Union business other than joint meetings with the management. Union officers and/or Stewards shall give management reasonable advance notice of their desire to be absent to conduct such Union business so that work schedules may be arranged accordingly. In no event will more than two (2) employees be absent from work at any one time to conduct such Union business. Union representatives will be allowed to attend jointly scheduled grievance meetings with management during working hours without loss of pay if the management official agrees to such a meeting.

4.2 Joint Meetings. Joint meetings between representatives of the management and the Union shall be held outside of regular working hours except when extraordinary circumstances make it necessary to hold such meetings during regular working hours. When such meetings are held during regular working hours, there shall be no deduction from the regular straight-time pay of grievants and/or Union Officers or Stewards on account of time, spent by them attending such meetings. When such meetings are held outside regular working hours no employee shall receive any compensation on account of time spent by them attending such meetings.

4.3 Union Activities During Working Time. No Union activities will be carried on during working time except as expressly authorized by this Agreement.

4.4 List of Officers and Stewards. The Union shall furnish the Personnel Board with a written list of its Local Officers and Shop Stewards and shall promptly notify the Personnel Board in writing of any changes therein. Only such listed Officers and Stewards shall be recognized by the Town for purposes of joint meetings except that the Union may, in its discretion, be represented by counsel.

4.5 Notification of New Employees. The appropriate Department Head will inform a Local Officer of the Union of the name of any employee newly appointed to permanent status in the Public Works Department or the Sewer Department.

4.6 Access to Premises. Authorized agents of the Union shall have reasonable access to Department premises for the purpose of Union business. Meetings with an employee during working hours shall be on the employee's non-working time, unless expressly approved by Department management. Meetings with Department management shall be by appointment. All such meetings shall be conducted in a manner and at a time that will not interfere with the operations and work of the Department.

Article 5 Grievance and Arbitration Procedure

5.1 General. In the interest of harmonious and efficacious performance of duties and obligations of the Departments the Town and the Union recognize the importance of prompt and equitable disposition of any grievances at the lowest organizational level possible under the procedures of maximum informality and flexibility. A hearing on the grievance will be held by the Board of Selectmen or their designee in accordance with the provisions of Chapter 263 of the Acts of 2016 (An Act Relative to the Town Administrator in Hingham). A grievance is defined as a matter of personal concern or dissatisfaction to an employee arising out of the terms and conditions of his employment. Grievances may be initiated only by employees, either singly or jointly, except as otherwise provided in Section 4. An employee shall have the right to present a grievance in accordance with this Article and have it promptly considered on its merits. The initiation of a grievance by any employee shall not impair his standing in his Department.

5.2 Informal Procedure. Before a grievance is submitted in the formal grievance procedure set forth in Section 3, the aggrieved employee may present the matter informally to his immediate Supervisor which shall mean the Public Works Superintendent. If the grievance is not settled within five (5) working days, such employee, if employed in the Public Works Department, may present the matter informally to the Public Works Superintendent. Every effort should be made to reach a resolution of the grievance through this informal procedure.

5.3 Formal Procedure. Only matters involving complaints that the Town is not complying with its obligations under this Agreement, and that involve the application and interpretation of the Agreement, shall constitute grievances under this Article. No matter shall be subject to the arbitration procedure of this Agreement, which is subject to the authority, or jurisdiction of Civil Service or any Retirement Board. Grievances shall be submitted on the mutually agreed-upon form attached as Appendix B and shall be processed in the following manner:

Step One

The Union shall submit the grievance signed by the aggrieved employee, in writing, to

the Superintendent, within ten (10) days of an action, or failure to take action, which it is alleged to have violated the Agreement. The Superintendent shall respond to the grievance within ten (10) days following a meeting to hear the grievance.

Step Two:

If the grievance is not resolved at Step One, the Union may submit it to the Town Administrator or his/her designee within five (5) days following receipt of the Superintendent's answer or the date on which such answer was due if no answer was given. The Town Administrator or his/her designee shall meet with the Union on a mutually agreeable date and render a decision within ten (10) days after the close of this hearing.

Grievances shall be deemed waived unless submitted at each step within the time limits specified. The time limits may be extended, in any particular case, by mutual written consent of the parties. "Days" shall mean working days.

5.4 Grievances not settled in the steps of the grievance procedure may be referred to an arbitrator agreed upon by the parties after written notice to the Town Administrator and the Superintendent within thirty (30) days of the Step Two decision. If the parties are unable to agree upon an arbitrator, the arbitrator shall be designated by the American Arbitration Association under its current rules and procedures. The fees and expenses of the Association and the arbitrator shall be shared equally by the parties and each party shall bear the expense of its own representatives and witnesses.

5.5 The arbitrator shall be without power to alter, amend, add to or detract from the language of this Agreement or to hold *ex parte* hearings. The decision of the arbitrator within the scope of his/her authority shall be final and binding upon the parties.

Article 6 Discharge and Suspension

6.1 No employee who has completed the probationary period, shall be disciplined, suspended or discharged without just cause. Any protest against discipline, suspension or discharge shall be handled under the grievance and arbitration procedure provided for in this Agreement. Discipline, suspension or discharge of an employee during the probationary period shall not be subject to the grievance and arbitration procedure.

6.2 Employees who have completed the probationary period, who are to receive any disciplinary penalty will be given the opportunity to be represented by a Union Steward or other bargaining unit member if no Steward is available.

6.3 Warnings and other disciplinary action for minor misconduct or performance problems will not be considered in future discipline after twelve (12) months if the employee did not receive any other discipline for the same or other reasons during the twelve (12) month period. If after a twelve (12) month period with no further discipline, discipline is imposed for the same or a similar minor problem, such disciplinary action will not be considered in future discipline after twenty-four (24) months without any other discipline for the same or other reasons during twenty-four (24) month period. If after the twenty-four (24) month period with no further discipline, discipline is imposed for the same or a similar minor problem, it may be considered in connection with future discipline. The foregoing shall not apply to disciplinary action for serious misconduct or performance problems. If disciplinary action is considered by

the Department to fall into the "serious" category, the employee will be so informed.

Article 7
Seniority

7.1 Definition and Termination. An employee's seniority means his length of continuous employment by the Town. An employee shall acquire no seniority until after completion of his probationary period of temporary employment, which shall be ninety (90) days of continuous employment, subject to extension for an additional ninety (90) days, all as provided in the Classification and Salary Plan. If the employee is retained beyond his probationary period his seniority shall then date back to the beginning of his continuous employment. An employee's length of continuous employment shall be broken and he shall lose his seniority if he:

- (a) Quits his employment;
- (b) Is discharged, terminated or retired;
- (c) Is absent from work for three (3) or more consecutive working days without notifying the Town or without adequate reason if he does notify the Town;
- (d) Fails, without adequate reason, to report for work upon recall at the time specified by the Town or to report for work at the expiration of a leave of absence granted by the Town; or
- (e) Is laid off and not recalled to work within twelve (12) months after the layoff.

If an employee is unable to work because of sickness or bodily injury and presents satisfactory proof thereof to the Department Head, his length of continuous employment shall not be broken but the excess of his period of continuous absence over six (6) months shall not be added to his length of continuous employment, provided that an employee who is unable to work because of an injury incurred while performing his assigned duties shall continue to accumulate credit for continuous employment until the termination of the period for which Workmen's Compensation shall be payable to him.

7.2 Layoff and Recall. In the event the Town reduces the numbers of employees in a Department, the most junior employee in the job classification to be reduced shall be subject to layoff. Such employee may displace the most junior in any equal or lower-rated job classification in the same Department, provided he is senior to that employee, and an employee thus displaced may do likewise. Employees shall be recalled in the reverse order of layoff. No employee shall displace another employee upon layoff or be assigned to a job upon recall unless in either case he has the ability at the time to perform all the work of the required job in a satisfactory manner, without training or special assistance or supervision, as evidenced by his performance record with the Town. Notwithstanding anything to the contrary in this article, in the case of a layoff, a union steward shall be treated as if such steward were the most senior employee in the bargaining unit and subject to such steward being qualified to perform the work of the employee whom such steward would displace.

7.3 Promotions. If a permanent vacancy should occur in a job classification above the lowest-rated job classification in the bargaining unit and there are no employees on layoff therefrom, a notice of such vacancy shall be posted for three (3) working days, during which

time employees shall have a right to apply in writing. The vacancy shall be filled in accordance with the following procedures:

- (a) Preference shall be given to applicants from within the Department where the vacancy exists on the basis of their comparative qualifications for the vacancy, but where qualifications are equal, seniority shall prevail.
- (b) If there are no qualified applicants from the Department in which the vacancy exists, applicants from other Departments shall be given preference on the basis of their comparative qualifications for the vacancy, but where qualifications are equal, seniority shall prevail.
- (c) If there are no qualified applicants from the bargaining unit, the vacancy may be filled by the Town from any source.
- (d) For the purpose of determining whether there are any qualified applicants under paragraph (b) or (c) above, an applicant shall be deemed to have minimum qualifications for a vacancy if he has sufficient experience or training so that he would be able to perform all the work of the required job in a satisfactory manner after a training period of not more than (10) working days. The Town shall not be required to give a trial or training period to any applicant who is not qualified. Management shall make the initial determination as to qualifications, which determination shall be subject to the grievance and arbitration process.

7.4 Promotion to Jobs Outside the Unit. Promotions or transfers of employees to jobs outside the bargaining unit shall not be subject to any of the provisions of this Agreement. An employee who is transferred or promoted to a job outside the bargaining unit shall not accumulate additional seniority during the period he occupies a position outside the unit. However, if he later is returned by the Town to the bargaining unit, he shall again be credited with the seniority he had when he left the unit.

7.5 Seniority List. The Town shall annually furnish to the Union a Seniority List showing the length of service of each employee.

7.6 Temporary Transfer. Nothing in this Agreement shall be construed to restrict the Town from temporarily transferring an employee from any job classification or Department to any other job classification or Department provided that such a temporary transfer shall not exceed six (6) months in duration.

Article 8 Wages and Compensation

8.1 Hourly Wage Rates. The hourly wage rates of the employees covered by this Agreement effective July 1, 2020 (the "new Contract"), shall be determined in accordance with the Classification and Wage levels agreed to by the Town and the Union as shown on the schedules attached hereto, as follows:

- (a) Effective July 1, 2020 – 2% general wage increase

8.2 Increases. Progressions through the rate ranges of the Wage Schedule are not mandatory and shall be on the basis of merit and ability on recommendations of the Department Head. Employees in continuous service in a position who have a satisfactory performance record shall be eligible for an advance of one (1) step rate per year until the maximum rate is reached, subject to the approval of the Department Head.

8.3 Promotions and Transfers. When an employee is promoted to a higher-rated job classification, he shall enter at the minimum of the job rate range or at the next pay rate above his present rate, whichever is higher. Effective February 27, 2014, for good cause shown, the Personnel Board may, upon request of the employee and recommendation of the Department Head also grant a one (1) step increase at the time of promotion. If an employee should be permanently transferred to a lower-rated job classification or temporarily transferred to a lower rated job classification to avoid layoff, he shall enter it at the step rate based on his length of service on the previous job. The date on which an employee is promoted, reclassified, or permanently transferred to another job classification shall be his anniversary date for subsequent pay rate increases in such job classification in accordance with Section 2. If an employee should be temporarily transferred to a lower rated job classification for the convenience of the Town, he shall continue to be paid at the rate he has received on his regular job.

8.4 Hiring Rate. The hiring rate shall be the minimum of the rate range for the job classification unless otherwise authorized by the Personnel Board. If such authorization is given, it shall be supported by a written statement of the reasons.

8.5 Overtime.

- (a) Except for full-time employees regularly assigned to work at the Transfer Station, time worked prior or after an employee's regularly scheduled eight (8) hour work day, Monday through Friday, inclusive, and time worked on Saturdays and Sundays, after forty (40) hours have been worked during the week, shall be paid at the rate of time and one-half.
- (b) For full time employees regularly assigned to work at the Transfer Station, time worked prior to or after the regularly scheduled ten (10) hour work day and time worked on a day other than a regularly scheduled work day shall be paid at the rate of time and one-half.
- (b) Effective July 1, 2018 an employee who works in excess of twelve (12) hours in any single work day will be paid at the rate of double time for the time worked in excess of Twelve (12) hours in that work day. If an employee is being paid at the rate of double time and continues to work into his next shift, he will continue to be paid double time until the continuous work period ends and he is relieved of duty. Effective February 27, 2014, a rest period of not more than three (3) hours shall not cause the continuous work period to end and pay at double time shall resume when an employee returns to work from such rest period.
- (d) Work performed on a paid holiday shall be paid in accordance with the provisions of Article 11, Sec. 2.
- (e) There shall be no pyramiding of overtime. An employee may request

compensatory time off ("comp time") instead of being paid wages for overtime worked, provided, however, that an employee may earn a maximum of eighty (80) hours of compensatory time in a single calendar year, provided that such time shall be taken in the calendar year in which it is earned, and provided further that an employee who uses in excess of five (5) unexcused sick days in a single calendar year or a total of ten (10) sick days, whether excused or unexcused, in a single calendar year shall be ineligible to accumulate comp time for the balance of that year and also for the next calendar year. Effective February 27, 2014, for employees who are assigned to work at the Transfer Station, an employee may request comp time instead of being paid wages for overtime worked, provided, however, that an employee may earn a maximum of eighty (80) hours of compensatory time in a single calendar year, provided that such time shall be taken in the calendar year in which it is earned, and provided further that an employee who uses in excess of four (4) unexcused sick days in a single calendar year or a total of eight (8) sick days, whether excused or unexcused, in a single calendar year shall be ineligible to accumulate comp time for the balance of that year and also for the next calendar year. Effective February 27, 2014, comp time that is earned in the month of December may be carried over to January of the following year, but must be taken during the month of January of the following year.

- (f) An employee who is called in to work during an emergency outside his regular hours, or who is directed by such employee's Department Head or supervisor that he or she must "stand by" for emergency work, shall be paid at the rate of time and one-half his regular rate, for all such hours worked and shall be guaranteed a minimum of four (4) hours pay at said rate.
- (g) The Department shall make available to employees a sign-up sheet for any overtime work that can be scheduled in advance. All employees shall have the opportunity, but not the requirement, to sign the sheet to indicate their preference to work such scheduled overtime. In the event that insufficient employees sign the sheet for such scheduled work, the Department reserves the right to select any employee as is necessary to do the work. For emergency work that cannot be scheduled in advance, the Department shall contact any employees as needed to perform the work, except when such work is estimated by a supervisor to take one hour or less to complete. In such event the supervisor may perform the work and need not call in other employees. The Department shall take all reasonable measures to distribute the opportunity to work available overtime equally among employees performing work of the same classification. Nothing in this clause is intended to discontinue or otherwise modify any past practices that may exist in relation to the distribution of available overtime work to employees and all other personnel in the Department.
- (h) The Public Works Department and the Sewer Department will post a monthly list indicating the amount of overtime worked during the previous month by each employee.
- (i) If an employee has been working more than four (4) hours of overtime, he/she will ordinarily receive a 1/2 hour meal break which where feasible will be scheduled between 5 p.m. and 8 p.m. for dinner, between 6 a.m. and 9 a.m. for breakfast, and between 11 a.m. and 2 p.m. for lunch. If an employee has been working more

than four (4) hours of overtime, but is not entitled to a meal break, he/she will ordinarily receive a 15 minute break which where feasible will be scheduled every 4-5 hours. The scheduling of breaks will be decided by the Supervisor or his designee.

- 8.6 Reclassification Working Out of Grade. If an employee shall be temporarily assigned by the Department Head or such employee's supervisor to undertake the responsibilities of a higher graded position, such employee shall be paid at the rate for such higher graded position while such employee is serving in such capacity.
- 8.7 Weekend Bonus Pay. All full-time employees regularly assigned to work at the Transfer Station shall receive weekend bonus pay of \$35.00 per week, effective July 1, 2018. This bonus shall be paid in two lump sums during the year in December and June.
- 8.8 Stipend for Arborist. An employee who shall be designated by the Superintendent to serve as the Department's arborist shall receive an annual stipend of \$750 for such service, such stipend to be paid in weekly installments, along with such employee's other compensation.

Article 9 Group Insurance Plan

9.1 The Town will continue for the duration of this Agreement to provide a group insurance plan on substantially the same basis as at present. The Town will not itself operate the plan but the insurance company or companies (which may include Blue Cross/Blue Shield with respect to their programs) will administer the benefits, which shall be subject to such conditions and limitations as are provided by law in the applicable insurance policies and contracts. The premiums for such plan shall continue to be shared equally between the Town and the employee. Any claims or disputes concerning eligibility for or payment of benefits under this Article shall be determined in accordance with the applicable insurance policies and contracts and shall not be subject to the grievance or arbitration procedure.

Article 10 Leaves of Absence

10.1 Except for paid leave for sickness, jury duty, military training, and bereavement, to the extent provided in this Article, all leaves of absence granted to employees by the Town shall be without compensation.

10.2 Sick Leave.

- (a) No sick leave with pay shall be granted during the first three (3) months of employment. Except for full-time employees regularly assigned to work at the Transfer Station, after three (3) months of employment and up to one (1) year, an employee absent because of his own sickness shall be entitled to sick leave with pay for time absent not in excess of eight (8) work days. For full-time employees regularly assigned to work at the Transfer Station, after three (3) months of employment and up to one (1) year, an employee absent because of his own sickness shall be entitled

to sick leave with pay for time absent not in excess of six (6) work days. Except for full-time employees regularly assigned to work in the Transfer Station, after one (1) year of employment, the period in any year for which an employee shall be paid while absent because of personal sickness shall be fifteen (15) work days plus the amount of any accrued and unused sick leave time in previous years. For full-time employees regularly assigned to work at the Transfer Station, after one (1) year of employment, the period in any year for which employees shall be paid while absent because of personal sickness shall be paid twelve (12) work days plus the amount of any accrued and unused sick leave time in previous years. There shall be no limitation on the amount of accrued unused sick leave time which may be carried forward from one sick leave year to the next sick leave year, but no sick leave time which was lost prior to that date because of any such limitation previously in effect shall be regained. In order to be entitled for paid sick leave, an employee must report his sickness to his Department before the beginning of his shift on the first day of his sickness. Sick leave may be used in half day increments for personal illness or injury and, with proper advance notice, medical or dental appointments which cannot be scheduled outside the regular workday.

- (b) Allowed sick leave shall at all times be due to the employees own, personal illness or sickness provided, however, that not more than two days per fiscal year an employee may use an earned sick day to assist or care for his sick or ill child, spouse or parent. In the case of a sick leave that extends beyond three (3) consecutive days, an employee shall be required to furnish a doctor's note documenting his or her sickness. Further, once an employee shall have had ten (10) undocumented sick days in a single calendar year, meaning a day of sick leave as to which the employee has not furnished a doctor's note documenting such employee's sickness, any use of additional sick leave shall require such a doctor's note. Effective February 27, 2014, for employees who are assigned to work at the Transfer Station, once an employee shall have used eight (8) sick days in a single calendar year, any use of sick leave shall require a doctor's note documenting such employee's sickness. If an employee who is required to furnish a doctor's note as provided herein shall fail to do so, the leave that would have otherwise been paid sick leave shall be unexcused and uncompensated.
- (c) Loss of time directly attributable to injury incurred while performing assigned duties shall not be charged to sick leave. However, any employee who received Workmen's Compensation benefits from the Town and who has accrued an unused sick leave to his credit under this Section shall, if he so requests, be paid such of his accrued and unused sick leave allowance as, when added to the amount of such Workmen's Compensation benefits, will be equal to the amount of his full salary or wages. Such makeup payments shall be charged to his sick leave and shall be discontinued when his sick leave allowance has been exhausted.
- (d) Unused Accumulated Sick Leave.
 1. Accumulated unused sick leave up to a maximum of one hundred twenty (120) days at the rate of two (2) days for every three (3) days accumulated will be paid by the Town to: An employee who is required to retire from active duty as a result of an accidental injury sustained in the course of his employment by the Town; or to the surviving spouse, if any, otherwise to the dependents of an employee who dies as a result of an accidental injury sustained in the course of his employment

by the Town. If the employee leaves no surviving spouse or dependents, no payment shall be made for unused sick leave.

2. Accumulated unused sick leave will be paid by the Town, at normal retirement only, according to the following schedule effective February 27, 2014:

DAYS ACCUMULATED AT RETIREMENT	PAYMENT
0-149	\$10.00 Per Day
150-199	\$1,490.00 plus \$10.50 per day for days over 149
200-over	\$2,015.00 plus \$11.00 per day for days over 200

(e) Sick Leave Bank. The Town and the Union have agreed to establish a sick leave bank as follows:

- (1) Effective July 1, 1990, a sick leave bank for use by eligible employees covered by this agreement who have exhausted their own sick leave and who have a prolonged illness or injury shall be established.
- (2) An employee who desires to participate in the sick leave bank shall fund the bank annually with one (1) sick leave day. However, employees who elect to participate in the sick leave bank in fiscal 2005, shall fund the bank by contributing one day from their own accrued sick leave within thirty days of the execution of this document by the Selectmen of the Town of Hingham and a second such day on January 1, 2005. Thereafter, each election shall be submitted prior to January 1st to become effective on January 1st. Elections shall be made on a form provided by the Town. Employees who elect to participate in the sick leave bank shall remain participants in the program until the January 1st of the following year.
- (3) The initial grant of sick leave by the sick leave bank committee to an eligible employee shall not exceed forty five (45) days.
- (4) Upon completion of the forty five (45) day period, the period of entitlement may be extended by the sick leave bank committee, upon demonstration of need by the applicant, to a maximum of one hundred (100) days.
- (5) Any sick leave granted under these sections shall be limited to those actual days used and the surplus will be returned to the bank. Example: if thirty (30) days are granted and the employee is able to return to work sooner than anticipated or if a doctor certifies the employee to be fit for work, then the days remaining would be returned to the bank.
- (6) The sick leave bank shall be administered by a sick leave bank committee consisting of four (4) members. Two (2) members shall be designated by the union and two (2) members shall be designated by the Personnel Board. The sick leave bank committee shall vote the eligibility for the use of the bank and the amount of leave to be granted. The following criteria shall be used by the sick leave bank committee in administering the bank and in determining eligibility and the amount of leave:
 - o 1. Adequate medical evidence of serious illness or injury.

- 2. Prior utilization of all eligible sick leave.
- (7) If the sick leave bank is exhausted, the sick leave bank committee may authorize the contribution of one (1) additional day of sick leave by each employee contributing to the bank. Such additional day will be deducted from the employee's annual fifteen (15) days of sick leave.
- (8) The decision of the sick leave bank committee with respect to eligibility and entitlement shall be final and binding, and not subject to appeal.

10.3 Jury Duty. An employee called for jury duty shall be paid by the Town an amount equal to the difference between the compensation paid for a normal working period and the amount paid by the Court excluding allowance for travel.

10.4 Military Leave.
